misunderstanding of his doctrine of god by refusing to begin theology with god s oneness who god is collapses into who god is for us a loss of the biblical and dramatic character of god for us d stephen long posits that the two treatises were never independent but inextricably related and entailing one another long provides a constructive rereading of thomas aquinas tracing antecedents to aquinas in the patristic tradition and readings of him through to the reformers taking into account challenges to the classical tradition posed by modern and contemporary theology and philosophy to offer a robust articulation of divine trinitarian agency for a contemporary age that adheres to broadly considered orthodox and ecumenical parameters
